

# RQS 75 Watt Quarter Brick Series

Designed for use in Railway Applications

- Input Voltage Range of 72V (43-101VDC) and 110V (66-160VDC)
- Compliance to Railway Standard EN50155
- Compliance to EMI Standard EN50121-3-2
- 3000 VAC Isolation
- Efficiencies up to 92%
- -40°C to 85°C
- UL60950-1
